Copy of report for 1894 Laurel House
Guilsborough Northampton
Gentlemen

For the year ending Dec 31st 1894 I have to report 161 deaths, and 318 births, in the Brixworth Rural Sanitary District, which consists of 36 Parishes and has a total population of 12,186. Of the births 159 were males and the same number of females. The ages at deaths were as follows Viz

22 under one year
16 over one " and under 5 years
2 " five " " " 15 "
8 " fifteen " " 25 "
42 " twenty five " 65 "

71 were persons over 65 years and upwards.
10 deaths were due to Influenza 1 to Diphtheria 1 Croup 1 Measles. 2 Whooping Cough 1 Typhoid 2 Diarrhoea 4 Phthisis 15 Bronchitis and Pneumonia. 14 Heart disease 4 Injuries 2 Suicide 13 Cancer and the remainder to various other causes.

The death from Diphtheria occurred at Boughton 1 Measles at Cold Ashby 2 Whooping cough 1 was at Brington and 1 at Overstone and the 1 Typhoid fever at Holdenby.

I have only received your order once during the past year to make a visit and report, and that was to the Village of Holdenby in November on account of an outbreak of Typhoid fever, I duly reported on same to your Authority at the time.

The deaths from Zymotic diseases were 7. and the general death rate I consider low

I am Gentlemen
Yours obediently
A. F. Williams
M. O. H

The Brixworth
Rural Sanitary Authority
